WHY A CI LEADER PROGRAM?

TRADITIONAL CULTURE VS. CI CULTURE

Traditional Culture

- Function silos
- Managers direct
- Benchmark to justify not improving “just as good”
- Blaming people
- Rewards: Individual
- Supplier is the enemy
- Guard information
- Volume lowers cost
- Internal Focus
- Expert Driven

Continuous Improvement Culture

- Interdisciplinary teams
- Managers teach/enable
- Seek the unlimited performance, the absence of waste
- Root cause analysis
- Rewards: Group sharing
- Supplier is ally
- Share information
- Removing waste lowers cost
- Customer Focus
- Process Driven
